NEW! Part I of the SY 2010-11 CSPR Reopens Monday

Part I of the SY 2010-11 Consolidated State Performance Report will reopen for data corrections on Monday, February 27, 2012. **If your state would like to have a new version created so your pre-fill contains the most updated data when the system opens, please contact PSC before 5:00 p.m., EST tomorrow, Friday, February 24.** States that request a new version prior to that time will see updated pre-fill data when they login Monday. If you do not request a new version in advance, you will need to create a new version manually and wait for the pre-fill to run overnight.

New versions of Part I must be certified by 5:00 p.m., EST on Friday, March 9, 2012. All files for pre-fill must be successfully submitted to ESS by 5:00 p.m., EST Thursday, March 8, 2012.

Reminder: CSPR Part I Program Office Review and OMB MAX Invitation

The U.S. Department of Education's Office of Elementary and Secondary Education (OESE) staff have completed their review process for Part I of the SY 2010-11 CSPR data. Those comments are available for your state to begin review and identify data that need to be resubmitted. This year, OESE has added a new feature via the platform of OMB MAX (OMBMax.gov), which allows ED to post each state's spreadsheet on a secure page that only your state can see. States have the option to respond to comments within the spreadsheet if they can explain the issue identified either through the emailed version or directly to the OMB MAX site; however, it's not required. Your state's EDFacts and CSPR coordinators should have received an email from the OMB MAX system inviting you to join the OMB Max community. If you have any questions regarding verification or OMB MAX, please contact Jane Clark (jane.clark@ed.gov) or Kenneth Taylor (Kenneth.taylor@ed.gov).

NEW! EMAPS Outage Monday Morning

On Sunday, EDUCATE will be applying security patches that will require a restart of our EMAPS server. The restart will be done as soon and as quickly as possible Monday morning. Until the restart is complete, users may not be able to access EMAPS.

Reminder: File N/X030 Discipline Incidents Reporting Requirements

If your SEA used funds from either the Office of Safe and Drug-Free Schools (OESE/OSHS) State Grants program OR the School Improvement Grants (SIG) program during SY 2010-11, file N/X030 Discipline Incidents must be reported by February 28, 2012.

UPDATE! Submission of SY 2009-10 SIG Baseline Data into ESS

The EDFacts Submission System was recently enabled to accept most of the SY 2009-10 School Improvement Grant (SIG) files that were manually submitted by states last year. These files include: 159, 160, 166 and 167. In order to maximize ED's use of this data, PSC will be

submitting those files into ESS beginning February 27. The SIG program office plans to begin analyzing the SY 2009-10 data against the SY 2010-11 data once the baseline data are available in the system. Please let PSC know as soon as possible if you expect to be updating and resubmitting any of these SIG SY 2009-10 data prior to April 30, in which case, PSC will not submit the original baseline files into ESS. If you need to update the SY 2009-10 baseline school-level data for files 139 or 163, please send those files to PSC.

PSC Webinars

March 7: PSC will conduct an EMAPS IDEA State Supplemental Survey (SSS) Training Webinar on Wednesday, March 7, 2012 at 4:00 p.m. EST. The Webinar will present an introduction to and overview of the SSS Process as well as a demonstration of the survey in EMAPS. To register for this Webinar, please click on the following link:
